

## Pristine Private Island

A place where memories are made that will stand the test of time. Presented for sale by the family who has owned it since 1948, Goat Island offers the opportunity for privacy without isolation, and easily accessible family fun. Virgin landscape, spectacular sunrises and sunsets, eight bays and clamshell beaches and a fairly level topography make this an ideal location for a family compound. There are two very rustic cabins, which would be ideal future building sites. Boat access is convenient with protected deepwater moorage and the potential for a year round deep water dock. There are few small towns more interesting than Ganges on Salt Spring Island, with art galleries, fine dining or fun and funky restaurants, minutes away. Sailboats and power boats float by as this is a gateway to the best boating in the pacific northwest. Easy to fly to and from the harbour. The land is sub-dividable, a rare offering indeed.

Offered at \$2,850,000
